(a) Fees. Customer will provide all accurate “Bill-to” information reasonably necessary to issue an invoice. Except as otherwise expressly specified herein or in the applicable SOW, all payment obligations are non-cancelable, and Fees paid are non-refundable. Any Annual Minimum Fees cannot be decreased during the relevant Term. All Fees are payable in the currency used or designated in the applicable SOW. On each one-year anniversary of the Effective Date of an SOW, Datasite may adjust pricing by an amount equal to the greater of: (i) six percent (6%); or (ii) the average of the monthly Consumer Price Index rate published by the Australian Bureau of Statistics for the 12 months immediately preceding the adjustment date.

(b) Payment. Unless otherwise specified in the applicable SOW and subject to Section 2(c) below, Customer shall pay to Datasite all Fees owing under this Agreement on the Due Date. Fees or amounts not paid by this date shall be considered past due. For any failure to pay past due Fees, amounts or invoices, Datasite may accelerate Customer’s unpaid Fees for the full outstanding period of the Term and require immediate payment by Customer of such Fees and/or suspend Services until the outstanding amounts are paid in full. Interest may be added from the Due Date to all past due invoices up to the highest rate permitted under applicable law. If Customer intends for any Fees charged under this Agreement be paid by a third-party, then: (i) Customer will promptly notify Datasite in writing; (ii) Customer will provide all accurate information reasonably necessary to issue the invoice to the third-party via either the SOW, email or through the Website and work with Datasite to correct any problems or errors Datasite observes or discovers; (iii) payment of Fees from such third-party to Datasite will be due on the Due Date; and (iv) Customer will not be relieved of its obligations to pay those or any other Fees to Datasite. Payment of Fees shall not be conditioned upon completion of Customer on-boarding forms, purchase orders, or Datasite’s use of Customer’s billing and other portals. Datasite shall be under no obligation to use any billing portal. Datasite reserves the right to charge the Customer for any costs incurred to recover any amounts owed to it including, but not limited to, any debt recovery services or other third-party services, including but not limited to, reasonable legal fees.

(c) Payment Disputes. Notice of any disputed Fees, amounts, or invoices must be provided to Datasite via email sent to billing@datasite.com not later than ten (10) days after to the Due Date otherwise it shall be deemed accepted. Notices must include details identifying the invoice by number and detailing the amounts in dispute. Upon receipt of the dispute notice, Datasite will determine in its sole discretion, whether the charges in dispute were correctly issued and notify Customer. If there has been an error, Datasite will work with Customer to correct the error and determine the outcome.

(d) Taxes. The Fees stated in any SOW do not include Taxes. Customer is responsible for paying all Taxes associated with its purchases hereunder. If Datasite has a legal obligation to collect Taxes for which Customer is

responsible, Datasite will invoice Customer and Customer will pay the amount owing. If Customer is lawfully required to withhold any sums from an invoice, Customer must effect such withholding and remit such amounts to the appropriate taxing authorities, and ensure that, after such deduction or withholding, Datasite receives and retains, free from liability for such deduction or withholding, a net amount equal to the amount Datasite would have received and retained in the absence of such required deduction or withholding.

(e) GST. In this section 2(e) a word or expression defined in the GST Act which is not otherwise defined in the Legal Terms has the meaning given to it in the GST Act. All consideration provided under the Legal Terms and/or a SOW is exclusive of GST (which has the meaning given in the GST Act) unless it is specifically expressed to be GST inclusive. If a Supplier makes a taxable supply to a Recipient under or in connection with a SOW, the Recipient must pay the Supplier an additional amount equal to the GST payable on the supply (unless the consideration for the taxable supply was specified to include GST). The additional amount must be paid by the Recipient by the later of:

- (i) the date when any consideration for the taxable supply is first paid or provided; and
- (ii) the date when the Supplier issues a tax invoice to the Recipient.

This section 2(e) will survive the termination of the Legal Terms or a SOW by any party.

3. Ownership and Limited License.

(a) Customer Ownership. As between the Parties, Customer shall have and retain all Intellectual Property Rights in Customer Materials. Customer has sole responsibility for the accuracy, quality, legality, integrity, and appropriateness of all data, content, and information it, or any of its Users, provides to Datasite in conjunction with the Services. Customer hereby grants to Datasite a non-exclusive, irrevocable, fully paid-up, royalty-free, sub-licensable, worldwide right and license to reproduce, distribute, use, and display the Customer Materials to the extent necessary for Datasite: (i) to provide the Services to Customer; (ii) to create and use the Services Data, Feedback, and Usage Data for any purposes and (iii) for any other activities expressly agreed to by Customer.

Each Party warrants that: (i) it has full power and authority to enter into and perform its obligations under this Agreement; (ii) this Agreement has been duly executed and constitutes a valid and binding agreement enforceable against such Party in accordance with its terms; (iii) it will comply with all laws applicable to the Party; and (iv) it will use up-to-date, generally accepted virus and malicious software detection devices and procedures to reasonably ensure that any electronic data transmitted to the other Party will not contain a virus malicious software or other harmful component.

(b) Datasite Warranties. During the Term, Datasite warrants that: (i) the Services will be rendered using professional practices and in a competent and professional manner; and (ii) it has all necessary permissions, software licenses, and ownership rights to provide the Services. Customer must provide written notice to Datasite of any warranty claim. Such warranty shall apply only if the applicable Services have been used for their intended purpose and in accordance with the applicable documentation, this Agreement, and any and all applicable law. This section sets out Datasite's sole and exclusive liability, and Customer's sole remedy, with respect to any claim for breach of the warranty in Section 4(b)(ii) including cases where there is a claim by a third-party of infringement of its Intellectual Property Rights.

(c) Australian Consumer Law Rights, Guarantees and Warranties. To the extent the ACL Rights apply to you, our Services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the Service you may (to the extent the ACL Rights apply) be entitled to cancel this SOW and receive a refund for the unused portion or to compensation for the reduced value of our Services, along with compensation for any other reasonably foreseeable loss or damage. If such failure does not amount to a major failure, you may (to the extent the ACL Rights apply) be entitled to have problems with our Service rectified in a reasonable time and, if this is not done, to cancel this SOW and obtain a refund for the unused portion of the SOW. Except for this sub-section 4(c), nothing in the Legal Terms limits, excludes or modifies any ACL Rights for which it is unlawful under the Australian Consumer Law to exclude. To the extent it is legally permitted to do so, where Datasite is liable for a breach of any ACL Rights, then Datasite limits its liability to the following in the case of our Services: (a) the supplying of the Service again; or (b) the payment of the cost of having the Service supplied again.

(e) Disclaimer of Warranties. EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT AND TO THE FULLEST EXTENT PERMITTED BY LAW, THE SERVICES, TRIAL SERVICES, AND WEBSITE(S) ARE PROVIDED AS-IS, WITHOUT ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, MERCHANTABILITY OR OF SATISFACTORY QUALITY, OR THOSE ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE. ACCORDINGLY, DATASITE DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR ACCESSING OR STORING ANY CLASSIFIED INFORMATION OR INFORMATION REQUIRING A SECURITY CLEARANCE FROM ANY GOVERNMENT AND DATASITE SHALL NOT BE LIABLE FOR ANY CLAIMS OR DAMAGES ARISING FROM OR RELATED TO THE USE OF THE SERVICES FOR SUCH INFORMATION.

5. Confidentiality

(a) Each Party shall: (i) hold Confidential Information of the other Party in confidence; (ii) not use any Confidential Information of the other Party for any purpose outside the scope of this Agreement and, if applicable, the Data Processing Addendum; (iii) take reasonable steps to maintain the confidentiality of all Confidential Information; (iv) only disclose Confidential Information: (1) to such Party's or its Affiliates employees who have a need to know such information; or (2) for the purposes envisioned or intended under this Agreement. This Agreement expressly supersedes and replaces in its entirety any non-disclosure agreement executed by Datasite arising out of or in connection with this Agreement.

(b) If a Party is compelled by court order, subpoena, or other requirement of law to disclose Confidential Information, the Party will provide the other Party with prompt notice (unless such notice is prohibited) so that the Party may, at its option and expense, seek a protective order or other remedy.

Upon Customer's request, Datasite shall provide a certification of deletion or destruction of the Content. Customer must pay all invoices in full prior to the release of any Content under this section. Datasite shall not be obligated to immediately erase Content contained in an archived computer system backup made in accordance with its security or disaster recovery procedures, provided that such archived copy shall remain subject to the same obligations of confidentiality until destruction.

(d) Customer acknowledges that Datasite's provision of the Services may involve the processing of personal data or personal information (as defined by applicable data protection laws, including the *Privacy Act 1988* (Cth)) which may include Datasite sharing such personal data with Customer's advisors, its authorized third-party Users or as otherwise for provided in the Agreement or the Data Processing Addendum. Customer has sole responsibility for ensuring that personal data it provides to Datasite for processing complies with applicable data protection laws, including the *Privacy Act 1988* (Cth). In addition to the obligations set forth, the Parties agree to the Data Processing

Addendum attached to this Agreement.
